September 2018

Welcome back for a new season.

Society Competitions

Entering competitions is NOT the be all and end all of philately – far from it. However, it can be a way of enhancing one's own collections and displays as one sees how others approach similar subjects and classes.

One feature I notice going round societies federations and doing a bit of judging is how formats vary, and this I mean particularly in the number of sheets required for an entry ranging from 5, 8, 9 12, 15 and 16.

At Federation level competitions require 16 sheets although we still offer 9 sheets for 3 competitions to act as an entry level and to encourage really small subject areas, like this year's best in show – Hejaz – as Martin Lovegrove tells me there is NO MORE material!

At national level entries are of 16 sheets or multiples thereof, up to 8 frames or 128 sheets.

It would be the ideal set up if all societies standardised on 9 and 16 sheets, but obviously we cannot insist on this, merely hope that this might be considered.

At Sheringham, last year an evening was offered on 'getting more from your collection and producing competition entries'. An improved (hopefully) similar evening is being offered at the Isle of Ely P S this month and it will be interesting to see how it is received and what the outcomes may be. The corollary to this then would be judging offering not just marks but considered advice on how entries might be improved. After one can get a gold for an exhibit, but there's always is large gold too!!

Convention 2018

Another successful event was staged at St Ives alongside the Philanglia Stamp Fair. Many collectors came and viewed the displays of our competition entries and many appreciative comments were given.

The results of the competitions are given below with the judging having been carried out by senior members of the Essex Federation, to whom many thanks. One of the judges, Len Stanway, came all the way over to talk to some of the entrants and his remarks were well received, offered, as they were, by a very experienced judge.

Photographic highlights

Martin Lovegrove, winner of the 9 sheet traditional class with **Hejaz**.

Pre-stamp Isle of Man postal history was the best entry in the 9 sheet division for **David Belton**

Geoffrey Datson clinched the trophy for the best 9 sheet thematic entry with his '**Figaro**'.

King's Lynn were winners of the inter society competition, the trophy being collected by chairman **Paul Lascelles**.

Graham Wylde won the 16 sheet thematic class with a wide ranging exhibit on **welding**.

Again this year, **John Sims** was successful In aerophilately with some lovely material on **Australian National Airways**.

The **Kay Goodman Trophy** for the best overall is awarded to **Martin Lovegrove**.

MAPF President, Terry Wagg FRPSL thanks Essex judge, **Len Stanway**.

Federation Display Day

John Spencer has arranged our 5th Display Day to look at the two most difficult classes for competition: OPEN and THEMATIC. This is largely because of the requirement to use non-philatelic material (up to 50%) and as wide a variety of philatelic material – respectively – and this is not fully exploited.

So all those who collect thematically could and should widen their horizons while using non-philatelic material can really illuminate and expand the range and interest in an open class display/exhibit.

This exciting day is being held at **Buckden Village Hall**, near Huntingdon on **Sunday 7th October**. I have reserved 20 places for a carvery lunch at a nearby inn and I will take bookings on a first come first served basis.

Kettering P S

Gordon Tregidgo informs us that as of 4th October, Kettering will move to a new venue:

St Andrew's Art Centre, NN16 8RG

ALSO that the day of monthly meetings will change from Thursdays to **WEDNESDAYS**

Hinckley P S

Meetings are held at:

Hinckley Academy and John Cleveland 6th Form Centre, Butt Lane, Hinckley. LE10 1LEnb

MAPF competitions 2019

Just a reminder of the changes for next year, designed, hopefully to increase the number of exhibitors by increasing the range of competition classes. The following is a list of what's on offer:

9 sheet inter-society classes:

Traditional, postal history, thematic – as now.

16 sheet individual classes:

Traditional, postal history, thematic, aerophilately, open, revenues, picture post cards and postal stationery.

Rules, guidelines and marking regimes will be sent out in January, as usual, when the invitation to societies and individual collectors is sent out.

Federation Committee

We are always on the look out for more talent for the committee and with the competitions' secretary due to become President in 2019 and remain editor of our newsletter it is felt that we could do with another committee member in November who would be prepared to work alongside the running of the Convention for a year before taking on the role of competitions' secretary after next year's AGM.

Any offers?

Please.

Peter Morton's Machin Watch

Walsall sheet stamp printings (self adhesive)

The new tariff values for the March 2018 price increases, plus a reprint by Walsall of an existing value, were all printed in mid-January 2018, but a second print run in February 2018 shows all five values, namely: £1.25, £1.45, £1.55, £2.25 and £2.65 printed in much paler shades.

The above stamps have now been joined by Walsall printed £0.10 in light tan, £0.20 in light green and £1.00 in wood brown. (References to stamp colours are taken from colour shades printed on the sheet stamps in the left margin)

Country issues

Despite many comments in the philatelic press regarding new Walsall printed sheet country issues for March 2018 (2nd, 1st, £1.25 and £1.45 values) all of which have standard redesigned value tablets, those comments were not entirely accurate. Revised tariff country stamps for each of England, Northern Ireland, Scotland and Wales as to £1.17 and £1.40 values printed by Walsall, were issued in the spring of 2017, and each of these values showed the redesigned value tablet.

2018 year date

Walsall and Cartor printed stamps with 2018 year dates are slowly being found. To date the following are known to exist:

Value	Printer	Code	Comments
2nd	W	No code	sheet printing
2nd	W	B	ex Type 15c business sheets
2nd	W	T	ex series SAC33C booklets of 12

Earlier this year I went to see Peter's display of Machins out of a sense of duty and loyalty. I was amazed at the range and quality of the display and Peter's handling of it. We were given a splendid evening. Don't be put off by 'Machins' and have a yawn – this is a fascinating and alarmingly broad subject.

This extra large international event maybe 20 months away but the exhibition's organisation has been under way for a considerable time. It will be almost double the size of Stampex with the displays being in the 'side halls' but with improved lighting than hitherto.

We are looking for volunteers to get in touch to offer help at different times, but especially on in the run up to the event, the Tuesday evening when all displays will be changed and at closure time.

There are many areas which need volunteers, and there are jobs to suit everyone's energy levels:

Bin Room: Help is needed on Friday 1st May, Tuesday 5th May and Saturday 9th May. Volunteers in this role will check in/out exhibits from the commissioners and control the material being passed to the mounting teams.

Mounting team: Dates active: Friday 1st May, Tuesday 5th May, Saturday 9th May. The exhibits are passed out from the bin room and physically mounted and secured in the frames. On the afternoon/evening of Tuesday 5th May a huge effort is required to swap the first and second halves of the exhibition.

Admin team: This is a varied team that needs to help every day that the show is open. Volunteers will look after the enquiry desk, sell programmes, ensure that the hired meeting rooms are ready for use by societies to use, IT support, financial controls etc.

If you would like to volunteer or find out more please go to the **London2020 website**, find the **information** part along the top bar under the title, **click on that** and **scroll down to volunteers, click again** and off you go.
