2024 Annual Competition

Dear Member,

You are invited to participate in the MAPF 2024 Annual Competitions

Your Club or Society might have already held a 9 sheet competition and chosen three winning exhibits to compete in the 2024 MAPF Inter Society Competition for the Millennium Shield.

However, if you were not successful in that competition or if your Club or Society is not competing in the Inter Society Class, then do please make an attempt in our individual competitions. You may submit up to two entries in one or more of our 16 sheet competitions, and in our literature competition.

Attached to this email is the 2024 Entry Form which explains how your entry must be submitted and the closing date for entries to be received by the Competitions Secretary. (15<sup>th</sup> May 2024)

Also attached, is a document containing guidance and marking schemes for all of our competitions: Philatelic, Picture Postcard and Literature.

The competitions will be adjudicated by a team of three judges from the Thames Valley Region, led by Gordon (Don) Jeffreys, FRPSL

Entries will then be displayed and trophies presented at our Convention held at  
The Philanglia Stamp Fair, 29<sup>th</sup> Jun 2024, 10:00 – 15:30.  
Burgess Hall, One Leisure, Westwood Rd, St. Ives, PE27 6WU

If you haven't competed before with a 16 sheet exhibit then please do give it a go.

Kind Regards,

John W B Spencer

Competitions Secretary
